Since 1985, the Southeast Tourism Society has published the Top 20 Events publication. Through a nomination process, the society chooses the Top 20 events going on in the Southeast for each month of the year, and publishes this list of winners quarterly. This publication is sent to over 300 newspapers, magazines, radio stations, TV stations, and others, as well as 125 AAA publications. The combined circulation runs into the millions. Current Top 20 Events are listed online.
